### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: claims 25-30 are allowed over the prior art of record because the prior art of record, US 6,393,201 which is considered as closest prior art, fails to suggest or fairly teach an information reproduction apparatus including a combination of all features and their relative functional operations as particularly recited in an apparatus claim 25 or a corresponding functional method claim 28.. Claims 26, 27 29 and 30 area allowed with their respective parent claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

### **CITED REFERENCES**

2. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. The cited reference relates to an information reproduction apparatus, which is used for reproducing information from a recording medium, having a memory for storing a recording medium identifier used for controlling a reproduction of data from the recording medium.
